2018 IRC Significant Changes

Description: 2018 IBC Significant Changes

Instructor: Doug Thornburg

Overviews the changes from the 2015 to the 2018 International Building Code (IBC). Identifies changes in organization and code requirements and the applicability of these requirements to design, plan review and inspection. This course content is based on the publication Significant Changes to the International Building Code 2018 Edition.

Description: 2018 IRC Significant Changes

Instructor: Steve Van Note

The goal of this seminar is to familiarize building officials, fire officials, plans examiners, inspectors, design professionals, contractors, and others in the construction industry with many of the important changes in the 2018 International Residential Code® (IRC®). The major changes from the 2015 IRC to the 2018 IRC will be presented. Participants will discuss the changes, reasons for the changes, and take part in knowledge review activities. Information presented will allow participants to apply these new code requirements to design, plan review, and/or inspection. The seminar uses the publication, Significant Changes to the International Residential Code®, 2018 Edition.

8 a.m. to 4 p.m. September 20th & 21st (lunch provided both days)
