2018 IBC Performing Nonstructural

Plan Reviews

#### **Description: 2018 IEBC Overview**

This seminar will introduce critical concepts of the 2018 International Existing Building Code. It will provide a basis for the correct use and application of the code. It will build an understanding of the intent of the code through detailing basic tables, categorizations and a case study.

#### **Description: 2018 IBC Performing Nonstructural Plan Reviews**

Participants will be better able to understand and apply the requirements of the 2018 IBC regarding the knowledge of performing a nonstructural plan review. When you complete this seminar, you will be able to determine whether a given set of building plans complies with the outlined requirements of the 2018 IBC.

Instructor – John Gibson
