1:00 p.m. – Executive Board Meeting
3:00 p.m. – General Business Meeting

Thursday September 18th, 2025

Description: 2024 IEBC Essentials

This seminar will introduce critical concepts of the 2024 International Existing Building Code® (IEBC®). It will provide a basis for the correct use and application of the code. It will build an understanding of the intent of the code through detailing basic tables, categorizations and a case study.

Friday September 19th, 2025

Description: Legal Aspects of Code Administration

Provides code officials with guidelines for administering the legal aspects of codes with regard to enforcement, prosecution and maintenance. In this course participants will discuss historical consequences of ignoring the regulation of building construction and materials, and learn how to interpret and applying local government, state and federal legislative laws, pertaining to the administration and enforcement of a building code. Participants will also be able to define and apply concepts which are legally important to the administration and enforcement of a building code and establish or document rules of procedure used before a board of building code appeals. By using the guidelines presented in the course, participants will learn how to effectively testify in a court of law.

Instructors: Patrick Vandergriff and Michael Mannan
8:30 a.m. to 4 p.m. September 18th and 19th (lunch is provided both days)
ICC Continuing Education Credits are available both days.
